Procyon AVS System Proteus Light & Sound System Mindplace Procyon AVS System Light and Sound Meditation Mind Machine.. The resulting synthesis can be MindPlace Procyon AVS The PROCYON AVS includes.. MindPlace Kasina Light and Sound Mind Machine Media Player MindPlace Procyon AVS System Light and Sound Meditation Mind Machine.. As far as I can tell, none of them is the perfect unit for me It doesn't sound like L&S has any programs already in it like the other two units.
